PROFILE

MCA graduate specializing in Full-Stack Web Development with strong skills in Python, JavaScript, and modern web technologies. Experienced in building scalable web applications and solving real-world problems through hands-on projects. Passionate about learning new technologies and developing impactful software solutions.

PROFESSIONAL EXPERIENCE

Freelance Web Developer

- Developed and deployed a responsive website for a client.
- Designed a responsive user interface to improve user experience.
- Implemented real-world requirements based on client needs

Skills

Technical skills:

- **Programming Languages:** C, Python, Java
- **Web Technologies:** HTML, CSS, JavaScript, Node.js React.js, Tailwind CSS
- **Database:** SQL, MySQL, MongoDB
- **Tools & Platform:** Git, GitHub, VS Code, Jupyter Notebook, XAMPP, Linux Basics, MS Excel

Soft Skills:

- Teamwork
- Problem-Solving
- Communication
- Time Management
- Adaptability

PROJECTS

Network Intrusion Detection System (NIDS) using Machine Learning

- Built ML-based system to detect malicious activity from network logs
- Used Random Forest & Logistic Regression for classification
- Developed the backend using Flask and created a basic web interface for interaction.

Pathfinding Visualizer (Group Project)

- Developed a web application to visualize Dijkstra's, A*, BFS, and DFS algorithms
- Implemented interactive grid with start/end nodes and obstacle drawing

AI Interview Platform

- **Tech Stack:** React.js, Node.js, Express.js, MySQL, Tailwind CSS, Gemini AI, Judge0 API
- Developed a full-stack AI interview platform with **resume analysis, mock interviews, coding rounds, and analytics**.
- Integrated **Gemini AI** for resume evaluation, interview feedback, scoring, and learning recommendations.
- Built a coding assessment module using **Judge0 API** with multi-language support, hidden test cases, and submission history.

EDUCATION

Graphic Era University, Master of Computer Applications — Uttarakhand, Dehradun
Soban Singh Jeena University, (BCA) — Uttarakhand, Almora
Kholia Vivekanand Inter College, High school — Uttarakhand, Bageshwar
Kholia Vivekanand Inter College, Senior Secondary School — Uttarakhand, Bageshwar

CERTIFICATES

Research Methodology – IIT Madras
Full Stack Developer (Internship) – Smart Ed.
